Dear Ghouls,

Welcome to Spookamaga! Thanks for your commitment to participate this year.

Please review our Fright Site Planning list. Looking for ideas for your fright site? Check with Witch One to see if she has something in mind.

You may decide as a troop/group to either come on Friday evening to begin setting up, join us for a fire, snack, and hayride and stay overnight or arrive early on Saturday morning and stay to closing. The Award Celebration on Saturday evening is a good chance to congratulate each other on your success. Two troops will be chosen "Ghoul Scouts of the Year" and receive a monetary prize to use toward their next adventure.

We hope you'll stay the entire weekend and join us for a snack and a hayride on Friday evening and also the awards celebration on Saturday evening. Our Spookamaga photographer will be taking candid photos for our use only.

Please contact Witch One (Linda Hudepohl) if you have any questions.  
Phone: 651-429-3083 or 651-334-2346

*Hope you are as excited as we are!*

## Planning Your Fright Site

- The purpose of Spookamaga is to have fun and entertain our guests. Younger children, who may be easily frightened, will be attending. Leaders are requested to call Witch One to discuss your fright site plans to be sure they are appropriate. Looking for ideas for your fright site? Check with Witch One to see if she has something in mind.
- Friday evening and Saturday morning are times to prepare your site. Fright sites hosts may arrive on Friday afternoon or evening or early Saturday morning. All sites must be ready by 1:30 PM.
- Adults must move all cars to areas designated by witches crew on Saturday morning by **12 noon**.
- We will expect your site to be open on Saturday from 1:30 to 8:00 PM. Be prepared to work in shifts so that each of you can take time off for tours and meal breaks. Recruit additional volunteers as needed.
- Consider making a sign to promote your location. Electricity to sites is very limited. You may also wish to think about ways to light your site. You may use torches with care and supervision, but also consider luminaries made from glass jars, sand and candles. Campfires should be in designated fire rings only.
- If you decide to hand out treats to your guests, please remember that it will be your financial responsibility to provide them. In recent years approximately 1500 – 2000 guests have attended! Please plan accordingly. No gum please! The Witches Crew spent several hours picking up the chewed gum that visitors left behind. It is helpful to have your own trash bin for treat wrappers.
- Each troop is responsible for clean-up of their own site. Clean-up at night is difficult so we prefer that you wait until Sunday morning. The Witches Crew appreciates your help with this since they have much of their own clean-up to do.

### Meals

All food is freshly prepared by the Witches Crew volunteer cooks in the dining hall. *For safety and ease of camp clean up, no other meal preparations will be permitted.* Every effort is made to provide good quality food that is well liked.

If there are any special dietary needs, we will work with the troop leader to meet needs as much as we are able.

**IMPORTANT:** *Special dietary needs/restrictions of vegetarian, gluten-free, and dairy-free available by ADVANCE REQUEST ONLY and MUST BE NOTED ON REGISTRATION FORM.*

*If uncertain about number of girls participating at fright site, please make a best estimate. We will re-check meal costs at check-in and make any needed adjustments.*
